

Please take 10 minutes to call and send a short email to the Planning Commission to ask for a **postponement of the October 27<sup>th</sup> meeting**. (I sent an original request on 10/7 asking for a postponement. We must have more time to fight this outrageous development in our neighborhood) **(Emails leave a paper trail that the County can't ignore.)**

Email & Phone Info:      Project:                      Tilden Park in Shingle Springs  
                                 Meeting:                      October 27<sup>th</sup>, 8:30am at Planning Commission

Reasons for

- Postponement:
- \* Majority of homeowners not notified of meeting.
  - \* Less than a month notice for those getting meeting notice.
  - \* Neighbor who owns two homes, Bill Woodel, is in the hospital and does not know about meeting and cannot attend Oct. 27<sup>th</sup> meeting.
  - \* Project involves changing General Plan; Rezoning from R1A to Commercial and HDR (high density residential).
  - \* Hotel, Restaurant, Food Market, Office/Shop Building and 14 homes crammed on 12 acres of wet lands. No utilities present on property.
